**PGA WEST™ JACK NICKLAUS
TOURNAMENT COURSE**

The Nicklaus Tournament Course is truly one of Jack's best. This is a remarkable test of golf where accuracy is rewarded and errant shots are severely penalized. Plateau landing areas, firm elevated greens and jagged bunkers will leave a lasting impression on golfers of every skill level.

**LA QUINTA RESORT & CLUB®
DUNES COURSE**

The Pete Dye designed Dunes Course provides a relaxing round of golf surrounded by dramatic landscapes. Out of the traditional Scottish mold, this links style course favors accuracy from the tee allowing access to its well-guarded greens. The Dunes Course is ranked among Golf Digest's "Top 75 Resort Courses" in America.

**INDIAN WELLS GOLF RESORT
PLAYERS COURSE**

The Players Course features dynamic bunkering, generous fairway corridors and undulating topography. The Players Course is aesthetically fascinating and provides a challenge to all types of players. Ranked 3rd best Municipal course in the country (Golfweek Magazine 2008).
