THE PROFESSIONAL GOLFERS' ASSOCIATION OF ALBERTA IS SEEKING YOUR SUPPORT

THESE EXPERIENCES ARE INDEED PRICELESS

The Professional Golfers' Association (PGA) of Alberta is one of nine Provincial Zones of the Canadian Professional Golfers' Association, which having been formed in 1911 is one of the oldest Professional Golf Associations in the world.

Our Association has a storied tradition within the Canadian Golf Industry of developing great ambassadors in golf - passionate, dedicated leaders who continue to advance the game of golf today, as they have been doing for the past century.

Our five hundred and fifty resident CPGA Members continually perpetuate the values in each community in which we have served since the early 1900s. We are fortunate during that time to have had a solid foundation laid for us by our predecessors who had the foresight to establish a building fund in order to allow our Association to continue to advance and promote our values.

We have been bringing golfers together for over one hundred years, developing their golfing abilities, enhancing their workplace talents, enriching their lives and sharing in their

clubhouse stories - each and every action building upon the fabric that is Alberta, a place where successful community spirit lives and thrives.

These experiences are indeed priceless.

A day in the life of a Golf Professional starts early and ends late. Commitment and support toward their Membership is their number one priority, and between phone calls from manufacturers, meetings with Board Members, tournament coordination, junior golf development and pro shop operations, they still find time in their day to lend a helping hand to Members practicing on the driving range.

The Professional Golfers' Association of Alberta is seeking your support.

As we enter the next chapter in our development as an Association we continually have opportunities for like-minded partners to become involved with our events and activities.

If you would like to support a group that is devoted to the promotion and preservation of the many contributions made by Alberta's Professionals and their Clubs dating back to the 1800s, we encourage you to contact us. We would be honoured to present you with an opportunity for your consideration, establishing a framework for partnership that we will ensure to be mutually beneficial.

Today the PGA of Alberta is comprised of over 550 Golf Professionals who are Leaders in Golf. We are Teachers, Managers, Merchandisers, Mentors, Promoters, Players and Ambassadors. We provide Instruction to all golfers, Leadership for all golf environments and the Expertise necessary to handle any situation. Our livelihood is Golf. Whatever Golf means to you.
