The Alberta show is the largest golf show in *North America*, 100% owned and operated by PGA Members. This is due to the solidarity and support for the show shown each year by our **PGA of Alberta Members**, the traditions and business practices we have been fortunate enough to acquire and carry forward from year to year, as well as the partnership and mutual respect that exists with our equipment manufacturers and their sales representatives.

We thank you for your continued support and look forward to seeing you at this year's show.

Yours truly,
