About Us

Navigator is an event management firm that specializes in corporate planning, which includes employee incentive packages, concierge services, as well as golf specific packages. No group is too large or too small for Navigator Event Management. We can customize packages for the most intimate group or a large corporate outing.

Navigator is a premier company when it comes to planning and coordinating all golf related venues. We pride ourselves in being able to provide our customers with a golf experience unlike any other. We are continually searching for the finest golf destinations throughout North America and abroad. Our clients are so impressed by our selection that they continue to use Navigation year after year.

Our close contacts within the golf industry allow us to offer clients the ability to play at the most sought after clubs in North America. The access to private clubs throughout North America allows us the chance to provide customers with experiences they wouldn't have received by booking themselves.

Use the experience of Navigator to plan and coordinate your next golf vacation or tournament. We will make your next golf experience unforgettable!
