

About Us

Navigator is an event management firm that specializes in corporate planning, which includes employee incentive packages, concierge services, as well as golf specific packages. No group is too large or too small for Navigator Event Management. We can customize packages for the most intimate group or a large corporating outing.

Navigator is a premier company when it comes to planning and coordinating all golf related venues. We pride ourselves in being able to provide our customers with a golf experience unlike any other. We are continually searching for the finest golf destinations throughout North America and abroad. Our clients are so impressed by our selection that they continue to use Navigator year after year.

Our close contacts within the golf industry allow us to offer clients the chance to play at the most sought after clubs in North America. The access to private clubs throughout North America allows us the chance to provide customers with experiences they wouldn't have received by booking themselves.

Use the experience of Navigator to plan and coordinate you next golf vacation or corporate outing. We will make your next golf experience unforgettable!

Since opening in 1994 in Scottsdale, Grayhawk Golf Club has become one of Arizona's most celebrated daily-fee golf clubs, mostly because of Grayhawk's two exceptional 18-hole golf courses – Talon and Raptor. Both have earned numerous awards and accolades over the years and have hosted high-profile competitive events such as the PGA Tour's Frys.com Open, The Accenture Match Play Championship, Tommy Bahama Challenge and the Chevron World Challenge. The Talon and Raptor courses offer unique challenges as they wind through some of the most spectacular Sonoran Desert on the planet. Both courses are considered as two of the finest golf courses in the Valley of the Sun.
