Responsibilities include, but are not limited to:

- Provide exceptional customer service and be knowledgeable on the products we are selling in the Golf Shop.
- Be a team leader and lead by example. It is important to inspire motivation and celebrate staff success.
- Be proactive in exceeding guest satisfaction. Investigate, respond and resolve challenges from guests in a timely manner.
- Ensure that superior standards of service are at all times meeting the requirements of our guests and employees and are constantly being improved upon. This may mean being creative in seeking new ways to get things done.
- Supervise the day-to-day operation of the golf shop and act as a Manager on Duty.
- Manage the back-shop services operation (outdoor services, cart storage, and driving range operations)
- Assist the Director of Golf with back-shop scheduling on a weekly basis and ensure employee standards are being met with Member and Guest experience satisfaction.
- Be confident in Retail Sales in the Golf Shop
- Lead and execute with the Head Professional the leagues of the club - Men's night, Ladies Day and Mixed League with their registration, on course proxy's, scoring and prizing.
- Play golf with the membership in league play (Men's, Ladies and Mixed League)
- Assist with tournament operations where needed (Cart staging, scoring and on course set up)
- Take on the lead role for all Junior Programs and camps
- Teach Clinics and Lessons to pass holders and guests
- Assist in the repair, and adjusting of golf clubs for members and customers.
- Provide excellent service to the Committee Leagues and remain in constant contact with them throughout the week to ensure a positive relationship is maintained between the Golf Operations team and the Pass Holders.
- Understand how to use golf programs such as 'Gallus Golf' and 'Club Prophet'
- Come up with new initiatives for golf programs at the club to engage guests and members
- Will work closely with the Head Professional, Golf Shop Manager and Sr Golf Operations Manager (Resort Course) on day to day operations.
