## Assistant/Associate Golf Professional

### The Course

Woodside Golf Course is a busy 18-hole Semi-Private Golf Course located in the fast-growing city of Airdrie in Alberta. The William G Robinson design opened for play in 1989 and is thoughtfully shaped through the rolling Alberta Parklands, inside a fully developed, master planned residential community. The 18-hole, Semi-Private layout winds through the community and around 9 water hazards. Featuring lush, challenging greens protected by numerous bunkers, the championship par-70 layout is a popular choice with professionals and amateurs alike.

Boasting 4 sets of tees and a full compliment of practice facilities along with an indoor “Performance Centre”, Woodside offers a complete golf experience. Woodside upholds the standards of championship play while providing a worthy challenge to players at every level.
