Rotary Links Golf Course

Seeking Course Superintendent

Job Summary: We are seeking a skilled and experienced Superintendent to oversee and manage our landscaping and garden maintenance operations at Rotary Links Golf Course in Fort McMurray.

As a Superintendent, you will be responsible for supervising a team of landscapers, ensuring the successful completion of projects, and maintaining the overall quality of our landscapes.

Responsibilities: - Lead and supervise a team of landscapers, providing guidance and support - Plan and coordinate landscaping projects, including garden design, installation, and maintenance - Oversee the irrigation systems to ensure proper watering and maintenance - Monitor the health and condition of plants, trees, and shrubs, implementing necessary care and maintenance procedures - Manage the use of equipment and materials, ensuring their proper maintenance and storage - Collaborate with clients to understand their landscaping needs and provide appropriate solutions - Maintain records of work completed, including project details, expenses, and timelines - Ensure compliance with safety regulations and company policies
Skills: - Strong leadership skills to effectively manage a team of landscapers - Extensive knowledge of garden design principles and techniques - Proficiency in building and maintaining landscapes, including planting, pruning, fertilizing, and mulching - Experience in supervising landscape maintenance activities - Familiarity with irrigation systems and their operation - Excellent communication skills to collaborate with clients and team members
If you are a dedicated professional with a passion for creating beautiful landscapes and have the skills required for this role, we encourage you to apply. Join our team as a Superintendent and contribute to the success of our landscaping projects.

Included:

- Medical and Dental Care
- Discounts on food
- Relocation assistance
- Housing allowance
- Company truck

Contract Details: 7 Month Contract (April 1- Oct 31, 2024)

Salary/Compensation: \$9,500 to \$11,000 per month
