

Head Golf Professional / Manager

Brewster's Golf, AB is excited to announce the exceptional career opportunity of Head Golf Professional or Pro Manager. Qualified candidates should be well versed in all of the core competencies required to operate a golf course and be driven to engage guests in spectacular adventure.

Brewster's Golf, Kananaskis Ranch, is the realization of a dream held by 4th generation cowboy and entrepreneur Bud Brewster. This unique 18-hole golf course lies at the base of Yamnuska Mountain and follows the moraines of the north bank of the Bow River. The Par 72 layout extends to an unassuming 5,832 yards of play that winds its way through the rugged, tree-lined terrain of the mountain ranch that Bud grew up on. The design puts accuracy off the tee at a premium, but also provides players with several risk reward opportunities. A number of water hazards and bunkers further add to the challenge and protect the well conditioned greens. The course provides visitors with exceptional mountain vistas and an abundance of wildflowers throughout the season.

Today, Brewster's Golf, Kananaskis Ranch still reflects the spirit of its founder. Our team lives Bud's dream each and every day and is excited to share his legacy with you.
