“We Make Your Golf Leagues Great”

Part-Time Sales Rep Required

golfscoring.net provides clubs with an entertaining online scoring system specifically designed to grow traffic on and off the golf course. The unique program is easy to implement, easy to run and comes with several very tangible benefits. Our service appeals to both public and private golf clubs and is proven to enhance the golf experience while increasing sales. Currently, we are contracted by approximately 200 clubs and work with just over 300 leagues. Our product eliminates the need for manual scoring, provides accurate league-scores-only handicaps reducing handicap inconsistencies and our live scoring feature has proven to increase F&B sales.

Based in Waterdown, Ontario our company is expanding quickly which means we are now in need of a dynamic, energetic part-time Sales Rep. The successful candidate will be personable, reasonably computer savvy and have access to their own transportation. This commission-based position affords an opportunity to experience a variety of different golf operations while building a contact list of Head Professionals, General Managers and Course Superintendents. Start date is immediate. Resumes should be forwarded to Pat Alpaugh via email to pat@golfscoring.net on or before January 1/2019. Golfscoring.net is an equal opportunity employer.
