

**The Hinton Golfing Society seeks a Qualified Restaurant Operator for 2019 and Beyond.**

The Hinton Golf Club is an 18-hole semi-private golf club with a fantastic restaurant, banquet facility and Hinton's best outdoor patio with panoramic views of the Rocky Mountains. The Hinton Golf Club is operated by the Hinton Golfing Society.

The 60 seat restaurant and 40 seat patio are combined with a private banquet space that can accommodate up to 140 guests. The large industrial kitchen can easily be used to service 240 people at one time. The restaurant operator will also have the opportunity to lease a golf course beverage cart from the Club for an additional sales opportunity.

The golf course boasts an all grass driving range, putting and chipping green with over 200 members and 20,000 rounds of golf annually. Golfers have been enjoying the tree lined fairways and mountain views for decades. Hinton Golf Club is located approximately 3 hours West of Edmonton, AB, 20 minutes East of the Jasper National Park gates and 45 minutes East of Jasper, AB on Highway 16. The town of Hinton has 10,000 full time residents.

The successful operator will maintain the following minimum hours of operation seven days per week and provide quality food and service, consistent food and beverage with competitive pricing:

- April - 11am to 5pm
- May to September - 11am to Dusk
- October - 11am to 5pm

The operator will have the option of continue to operate the restaurant and banquet facility during the hours that they see fit for the months November to March each year.

The restaurant operator will work with the Hinton Golf Club's Golf Shop Manager to make restaurant services available for Club functions and outside tournament play. These dates take precedent over other outside bookings. Once the club calendar is established each season the restaurant operator may advertise banquet available as they see fit.

The Hinton Golfing Society is interested in entering a multi-year agreement with a qualified operator. Previous experience operating a restaurant is required.
