

RedTail Landing Golf Club is seeking the services of a Teaching/Assistant Professional for the 2019 golf season and beyond. The successful candidate will work closely and report directly to the Head Professional and Head Teaching Professional. This position provides an excellent opportunity for a CPGA Professional who is personable and has a passion to learn and grow by engaging in multiple aspects of the golf business. This includes a primary focus to add growth to the Golf Academy while also assisting with the day to day management in all areas of the golf operation.

Opened in 2003, RedTail Landing is a links-style golf course with five sets of teeing areas ranging from 5,500 yards to a demanding 7,330 yards and has been host to several corporate, charity, Alberta Golf and PGA of Alberta tournaments. Another impressive feature of the club is the 19-Acre Practice Facility that encompasses a 65,000 sq/ft grassed teeing deck, two practice bunkers and three putting/chipping greens. RedTail Landing Golf Club is located just moments from the south side of Edmonton at the Edmonton International Airport. Direct exposure to the golf course and academy by over 70,000 vehicles per day allows a unique marketing opportunity for the right candidate.

Application deadline is February 23rd, 2019

Salary: \$2,800-\$4000 per month (April to October)
