

# Chip in for Charity

This year, the SHOW is proud to partner with the Veterans Association Food Bank (VAFB) to host an on-site food and essential items drive in support of Canadian veterans and their families.

We invite all attendees to **bring a donation** and **make a difference**.

As a thank-you, **every donation received will earn you one Contest Area Ticket**, valid for one play in our interactive competitions:

- Grizzly Paw Long Drive Competition presented by PXG
- Closest to the Pin Competition presented by Par2Pro
- Putting Challenge presented by Mirage Turf Systems & PXG

It's our way of turning generosity into even more fun on the show floor. Join us in supporting those who have served our country – and help us drive real impact in our community.

---

## Food & Essential Items Needed
