MOVABLE WEIGHT TECHNOLOGY

Positions center of gravity to control your ball flight - putting tour-level fitting in your hands.

STOP STEERING. START DRIVING. FASTER.

G410

It's time you had the confidence to swing away on the tee box without fear of missing the fairway. Our new, movable weight technology allows you to shape your shots to find the fairway with control and consistency. And it comes with all the distance and forgiveness you need to play with power.
